

B-BBEE Fundamentals

CPD-accredited
Category E on the Learning Programme Matrix

7,5 hours | 7 CPD points

Where did Broad-Based Black Economic Empowerment (B-BBEE) start? What is its aim? Who does it apply to? How many elements does it have? What are the different scorecards? All these questions, and more, are answered in this course.

This course provides a foundational understanding of B-BBEE and its different elements. Topics covered include:

- The background to B-BBEE.
- The difference between the Generic and QSE scorecards.
- Understanding the scorecard elements.
- Understanding priority elements and the discounting principle.
- Measuring the different scorecards.
- Understanding how B-BBEE impacts an organisation.

This course is aimed at team leaders, managers and business leaders tasked with driving transformation and Broad-Based Black Economic Empowerment in the business.
